

2024 Asst. Principal Cello & Section Cello Audition Information

If you are interested in auditioning for the Vermont Symphony Orchestra's Asst. Principal (1) vacancy and/or the Section Cello (1) vacancy, please print out the application form on this website and mail it in with your resume and a \$25 deposit to hold your spot. Your resume should clearly reflect your professional orchestral experience.

If your application form and deposit check are not received in our office by September 30th, we may not be able to include you in the audition. If your materials are late, you may be placed on a waiting list as appropriate.

You will be notified by October 7th whether you are invited to take the audition. Due to time limitations, we may not be able to hear everyone who is interested in auditioning. If you are not selected to come to the audition or you contact us to cancel your audition by October 11th, your deposit will be returned to you; otherwise, you will get your deposit back once you check in on the audition day.

At this point, we are planning on hearing auditions from 9:00 AM to 5:00 PM on Thursday, October 24th, at the Elley-Long Center in Colchester, Vermont.

If you have any questions, please feel free to email Orchestra Manager, Patricia Jancova, at patricia@vso.org.
